

Semi-Transparent Overlay  
obscures background

A diagram illustrating a modal form overlay. A light gray rectangular area represents the background. Overlaid on this is a darker gray rectangular area representing the modal form. The modal form contains the text "Sign In Form" at the top, followed by two input fields labeled "e-mail address:" and "password:". Below these fields is a rounded rectangular button labeled "Sign In Button". At the bottom of the modal form is a link labeled "Link to Sign Up Form". An arrow points from the text "Semi-Transparent Overlay obscures background" to the light gray background area. Another arrow points from the text "Modal Form" to the darker gray modal form area.
