

Semi-Transparent Overlay
obscures background

A diagram illustrating a modal form overlay. A light gray rectangular area represents the background. Centered within it is a darker gray rectangular area representing the modal form. The modal form contains the text "Sign Up Form" at the top, followed by two input fields labeled "e-mail address:" and "password:". Below these is a rounded rectangular button labeled "Sign Up Button", and at the bottom is a link labeled "Link to Sign In Form". An arrow points from the text "Semi-Transparent Overlay obscures background" to the light gray background area. Another arrow points from the text "Modal Form" to the darker gray modal form area.
